Address : Plot no.311,Above S.B.I,Pimpri-17

Summary

- Completed Computer Engineering from Cummins College of Engineering in Jun 2018 and was amongst the top 5 students. Started working at Barclays Technology Centre, India and have a experience of 9 months .
- My career objective is to work in a firm where I can apply my skills which would enable me as a graduate to grow while fulfilling organizational goals.
- I have Good interpersonal skills and able to work well both in a team environment as well as using own initiative.
I am AMCAT Certified Business Analyst and Software Engineer - IT Services.
Also, I am a part of Toastmasters Club and I am also involved in various citizenship events.

Work Experience

- I am working at Barclays and I am a part of KYC/Onboarding/Fin Crime Business Unit.
- I have worked extensively on projects related to KYC and Fin Crime and have developed utilities/frameworks for the same using PHP, Ajax , JavaScript, Java.
- Apart from that I am also aware of the Sanctions Process and have developed a utility for that as well using Python.
- I have hands on experience of Automation testing using Java Selenium and I am very aware of the BDD framework.
- I am well adapted to working in Agile and Waterfall methodologies.

Education

Years	Place	%
2013-17	Cummins College of Engineering For Women, KarveNagar Bachelor of Engineering, Computer Science & Engineering	73
2013	12 th (Higher Secondary Examination) Jaihind Junior College	89.67
2011	10 th (Secondary Examination) St. Ursula's High School	92.18

Foreign Languages:

- Mandarin Chinese(2 levels) - First in HSK2 exam.
- Spanish - Learning online.

Seminars:

- Attend a Division Level ToastMasters Conference in Hyderabad.
- "An amazing world of Invisible Motion-Video Magnification" at college.
